

## Mission statement

The mission of the Family Medicine Residency Program is to train family physicians to provide evidence based, compassionate care to the people of Otero County and the surrounding communities.

To that end, we pledge the following:

- PEOPLE FIRST
- QUALITY OVER QUANTITY
- LEADERSHIP
- COMMITMENT TO WELLNESS

### About the program:

The Family Medicine Residency Program at CHRISTUS Health in southern New Mexico is a rural training track located in Alamogordo. Our community is nestled between the beautiful Sacramento Mountains and White Sands National Park. Our unopposed Family Medicine Residency Program allows residents to thrive, while working one-on-one with faculty throughout all departments.

CHRISTUS Health complies with applicable Federal civil rights law and does not discriminate on the basis of age, color, creed, culture, disability (physical or mental), ethnicity, familial status, gender identity or expression, genetic information, language, national origin, military service, race, religion, sex, sexual orientation, socioeconomic status, or public assistance status. ATENCIÓN: Si habla español, tiene a su disposición servicios gratuitos de asistencia lingüística. CHÚ Ý: Nếu bạn nói Tiếng Việt, có các dịch vụ hỗ trợ ngôn ngữ miễn phí dành cho bạn.

## Family Medicine Residency Program

Your health. Your life. Our purpose.

## Application requirements

A completed application with all supplemental documents through the Electronic Residency Application System (ERAS) must be submitted to be considered for a position.

You must be a graduate of a LCME-accredited medical school, AOA accredited osteopathic school, ECGMG certified international medical graduate or completed a Fifth Pathway program in a LCME-accredited school.

Additionally, you need successful clearance of fingerprinted background check and drug screening.

## Research

Work with board-certified faculty on research that can be presented at the national level. The program provides financial support for accepted poster and case presentations.

## Wellness

Through various wellness activities, community outreach and collaboration, residents are encouraged to see themselves as leaders that make a remarkable difference in the lives of their community, patients, family and friends. We strive to create an environment that highlights the importance of a healthy work-life balance in hopes that our residents can flourish within their professional roles and their personal lives alike.

## Things to do

- White Sands National Monument
- White Sands Missile Range Museum
- Alameda Park Zoo
- Hiking in Cloudcroft/Dog Canyon
